Tracing practice for the Arabic letter 'ج' (Jim) on a four-line grid. The first row shows five examples: the first four are solid lines with a starting dot and a directional arrow, and the fifth is a solid line with three numbered arrows (1, 2, 3) indicating the stroke order. The second row is identical to the first. The third and fourth rows show five dashed-line examples each, with the first example in each row having a starting dot and a directional arrow. Below the tracing rows are five pairs of dots for independent writing practice, and a final row of five dots.
